¹ Includes vehicles owned by individuals, businesses and Public Service Corporations, business furniture and fixtures, and computers.

² On April 30, 1990, the Board of Supervisors established a subclass of vehicles for personal property taxation purposes. This subclass includes vehicles specifically equipped for the handicapped, privately-owned vans used for van pools, and vehicles belonging to volunteer fire and rescue squad members. The same rate also applies to antique automobiles.

³ Beginning in FY 1996, the special subclass includes vehicles owned by auxiliary police officers, aircraft and flight simulators, and property owned by homeowners' associations. As of FY 2000, the special subclass includes boats.

⁴ In accordance with the Code of Virginia, mobile homes are considered a separate class of Personal Property, and are assessed and taxed in the same manner as local real property.
